

July 11, 2017

Many, many thanks to the Five Ways members who have been involved with the concern for Mission, Unity and Dialogue during my almost 8 years in the St. Paul area. I have asked for semi-retirement to our residence in Tewksbury, MA, and I leave early Saturday morning, July 15. Your prayers for a safe trip are most welcome.

My assignment includes continuing the ministry of Coordinator of Mission, Unity and Dialogue (MUD) for the Oblates of Mary in the U.S.A. There are a number of parishes and groups in the Tewksbury area where I hope to speak on the Five Ways of Christianity today.

Please note that Dr. Bob Brenneman did have a very successful although stressful ministry in Turkey, France and Belgium last month. He is reaching out especially to a minority group in the Middle East, the Yazidis. He thanks you for your prayers and asks that you continue them, as more and more Moslems accept Christianity from Christians who extend friendship to them. Dr. Brenneman is doing great outreach to Moslems in the St. Paul area.

Most of the pages on the MUD website have been updated: www.harrywinter.org. A lot is happening in Mission, Unity and Dialogue.

May God bless you especially during the summer.
